1. You may have your credit card charged annually for the total dues amount with "E-Pay". This allows for a seamless continuation of dues from year to year.
2. You may have your credit card charged monthly for 1/12 of the total dues amount with "E-Pay".
3. You may choose the Electronic Dues Deduction Plan; which deducts 1/12 of the annual dues from your bank account on a monthly basis, usually on the fifteenth of the month. To initiate this, simply sign the Dues Deduction Authorization and attach a voided check and a check for the first payment. There is a \$6.00 annual billing fee computed in your Membership Dues if you use the Electronic Dues Deduction Plan.

NOTE: Virginia Nurses Association dues are not deductible as charitable contributions for tax purposes, but may be deductible as a business expense. However, that percentage of dues used for lobbying by the VNA is not deductible as a business expense. \$5.42 of the dues is for subscription to The American Nurse. \$16.00 is for subscriptions to the American Nurses Today.

One strong voice for nursing in Virginia.

Virginia Nurses Association

*One strong voice for
nursing in Virginia*

THE BENEFITS OF VNA MEMBERSHIP

Legislative Advocacy

- Lobbyist representing nurses and nursing issues at the Virginia General Assembly
- Enhance recognition of the nursing profession
- Ensure a positive legislative and regulatory climate for nursing practice
- Addressing the nursing shortage through increased funding for nursing scholarships and work force development
- Public policy E-Newsletter

Professional Development and Continuing Education

- Free and reduced cost continuing education opportunities
- Leadership development, networking and mentoring from nurse leaders
- Opportunities to participate at a reduced cost in VNA's statewide events, the VNA Annual Legislative Day and Annual Education Day
- Chapter and special interest group meetings that provide networking, continuing education opportunities, and the chance to discuss nursing trends and issues at the local level
- Developing conflict resolution skills, team building skills and delegation skills
- Virginia Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation

Advancing Nursing Practice

- Empower nurses to attain a positive work environment
- Publication of VNA's *Workplace Advocacy for Nurses*
- Promote evidence based nursing practice to achieve nursing excellence
- Opportunities to participate in specialty councils, develop position statements, and discuss practice issues
- Opportunities to have a voice in the formation of nursing policy on the state level

Valuable Discounts and Scholarship Opportunities

- Educational scholarships for nursing are awarded annually by the Virginia Nurses Foundation, with preference given to VNA members
- Discounts on continuing education opportunities
- Discounts on ANCC Certifications and publications
- Discounts on professional liability insurance, long term care, group and other insurance products
- Custom VNA credit card with Bank of America (subject to Bank of America's approval process)
